BRIGHT COFFEE SHOP

Analysis by : Lehlogonolo Sebothoma

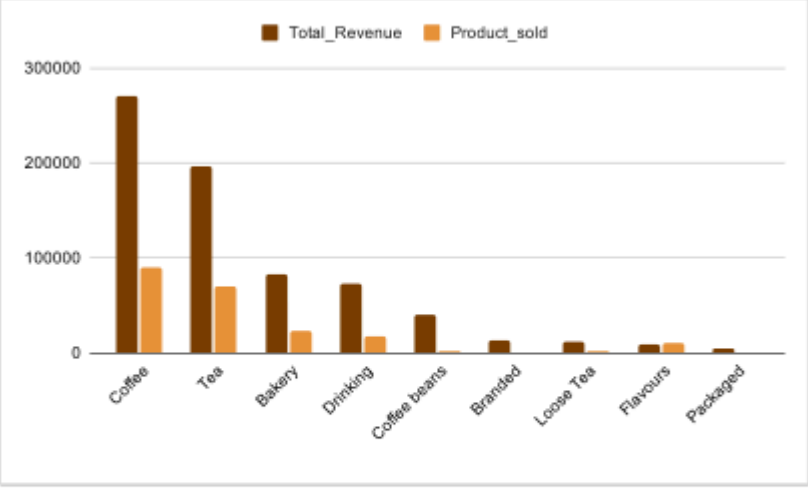
MISSION

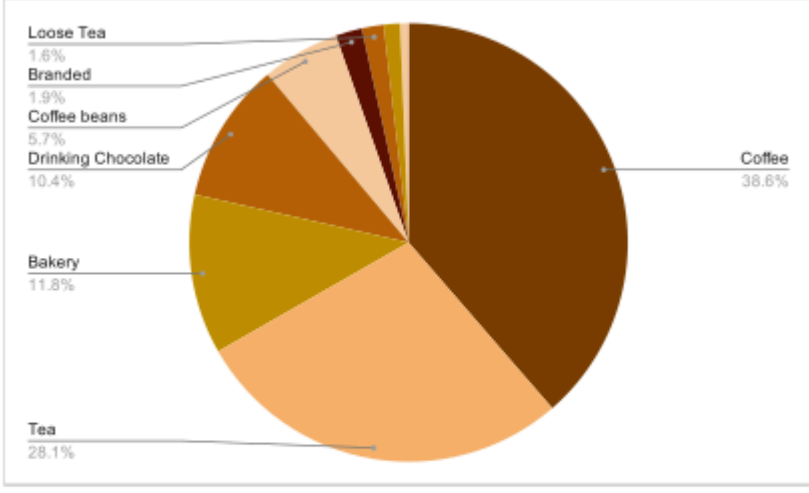
Grow the company’s revenue and improve product performance.

PRESENTATION OUTLINE

Data collection from 10 January to 30 June 2023 shows a total revenue of 698 812 from three stores which is Low manhattan, Hell’s kitchen and Astoria . Hell’s kitchen is the top performing store , with peak sales occuring in the morning between 6AM and 11AM.

REVENUE AND UNITS SOLD BY CATEGORY





KEY INSIGHTS

. Coffee and Tea generate the most revenue and have the highest units sold, indicating strong customer prefernce.

. Bakery iteams bring notable revenue despite fewer units, suggesting higher pricing or margin.

. Categories like blended loose tea, flovours, and packaging choco show how low revenue and sales volume possibly needing promotional boost or review.

RECOMANDATIONS

. Prioritize inventory and marketing for coffee, tea and bakery.

. Evaluate strategies for underperforming categories.
